### Is this your first time here?

#### Students

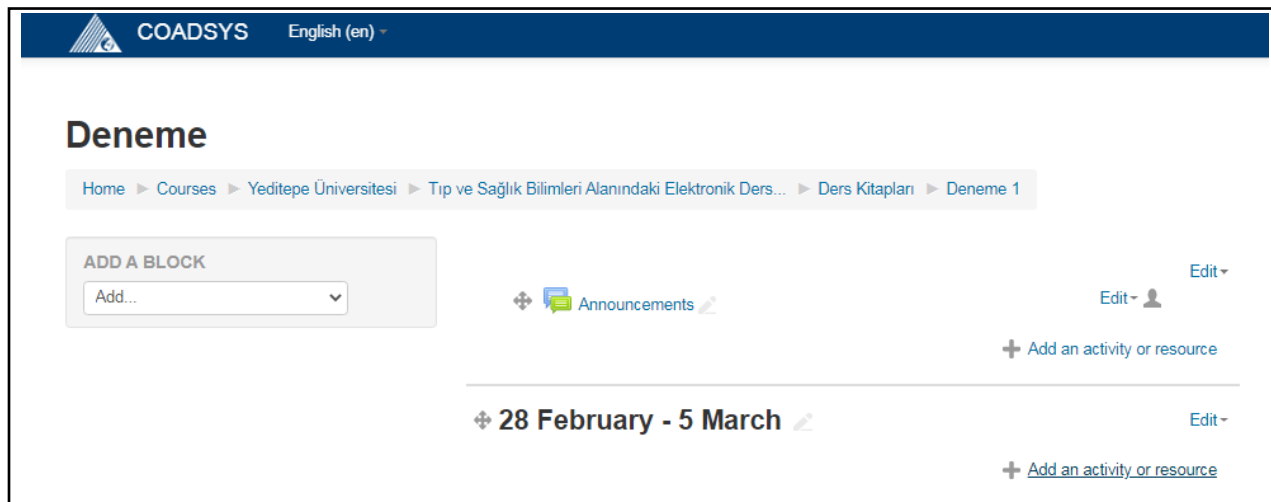

You are only allowed to use your student email account to log into Coadsys. In order to login you should click “Ođrenci GiriŖi” button on the website. If you don’t remember your email account name or password you should contact your faculty secretary.

#### Academic Personnel

In order to login to Coadsys you should enter your Yeditepe email username (without @yeditepe.edu.tr) and password credentials in corresponded fields on the login panel.

**Picture 1: Introduction to COADSYS system**

Select the relevant course and click on the "Add a new activity resource" option (Picture 2).

Picture 2: Adding a new event

After clicking the "External tool" tab, click the add button (Picture 3).

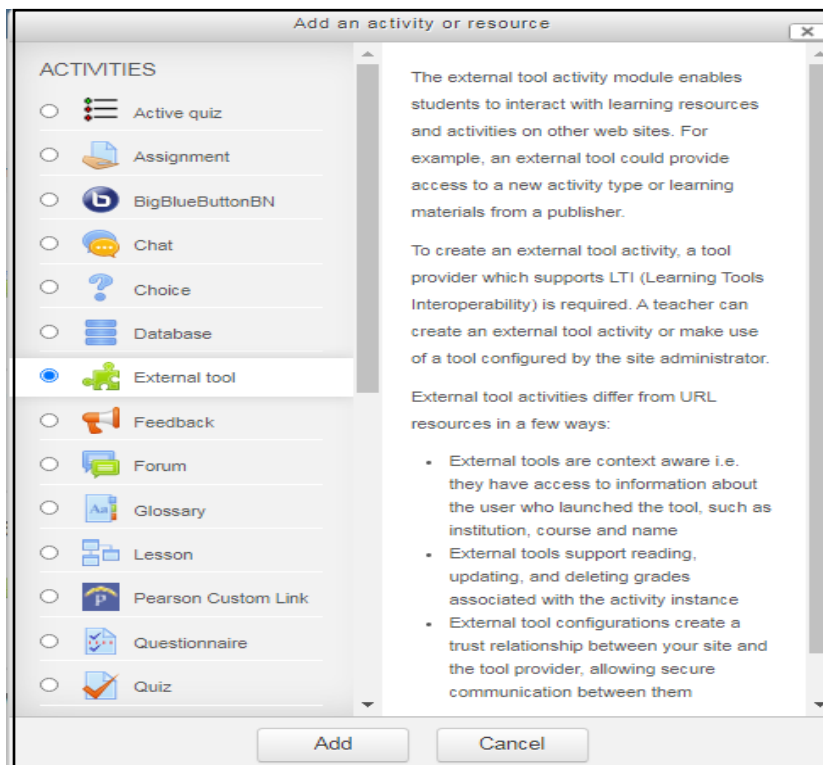

Figure 3: Add external tool

Fill in the information provided only on the page that opens (Picture 4). Make sure there is no space before and after the shared secret information.
