- Students admitted to Yeditepe University may become eligible to receive an Academic Merit Scholarship based on the principles determined by the University Boards. Depending upon a student's ranking in the respective term, the scholarship covers tuition fees for the following academic semester to the extent shown below:

First	in their program are paid of their tuition in the following year.	% 75
Second		% 50
Third		% 25

- The Academic Merit Scholarship is offered before the registration in the Fall term, on the condition that the number of students enrolled in the program is at least 35 and to the students who are within the normal period of education of their respective majors.

This scholarship **ends at the end of the relevant academic year.**

- **An Athletic Scholarship** is a **%50** scholarship for the relevant academic year including the Foreign Language Preparatory Program. It is valid for
 - Students who are accepted to the University sports team in the areas of **Basketball, Volleyball and Handball**
 - students participating in national sports events in the name of the University

The Athletic Scholarship is discontinued if the student

- fails to achieve a GPA of at **least 2,00** out of 4,00,
- is subject to **a disciplinary action,**
- is **removed from the team** by the coach or the trainer either because of the student's lack of discipline, inadequate performance, or permanent injury
- who is involved in individual sports is twice consecutively not invited to **the National Team.**

However, the Athletic scholarship is reinstated if the student achieves the required GPA and athletic performance again.

Students can benefit from only one scholarship offer; those who become eligible for more than one scholarship are allowed to benefit from the highest one.
